2ND THEORETICAL & PRACTICAL COURSE OF

JULY 9-10 2020 SANTIAGO DE COMPOSTELA SPAIN

Course Directors:

Dr. José Manuel Cameselle-Teijeiro Dr. Manuel Sobrinho-Simões

Target audience | The course is aimed at pathologists-in-training and in practice.

Accreditation | Continuing Education Credits requested from the Spanish National Health System.

Language | Official languages of the course will be English and Spanish.

Venue | Hospital Clínico Universitario, Travesía Choupana s/n, 15706 Santiago de Compostela, Spain.

Registration | http://www.fundacionidisantiago.es

Technical Secretariat | FIDIS, Fundación Instituto de Investigación Sanitaria de Santiago de Compostela, Hospital Clínico Universitario, Travesía Choupana s/n, 15706 Santiago de Compostela, Spain. Contact: Mabel Sampedro; Tel.: 00981951195; E-mail: cursos.fidis@sergas.es

Ihab Abdulkader Nallib

Department of Anatomic Pathology, Clinical University Hospital, SERGAS; Health Research Institute of Santiago de Compostela (IDIS); Medical School, University of Santiago de Compostela; Santiago de Compostela, Spain.

Isabel Amendoeira

Department of Pathology, Centro Hospitalar de S. João, Porto, Portugal; Institute of Molecular Pathology and Immunology of the University of Porto (IPATIMUP), i3S - Instituto de Investigação e Inovação em Saúde.

José Manuel Cameselle-Teijeiro

Department of Anatomic Pathology, Clinical University Hospital, SERGAS; Health Research Institute of Santiago de Compostela (IDIS); Medical School, University of Santiago de Compostela; Santiago de Compostela, Spain.

Javier Caneiro-Gómez

Department of Anatomic Pathology, Clinical University Hospital, SERGAS; Health Research Institute of Santiago de Compostela (IDIS); Medical School, University of Santiago de Compostela; Santiago de Compostela, Spain.

Catarina Eloy

Institute of Molecular Pathology and Immunology of the University of Porto (IPATIMUP), i3S - Instituto de Investigação e Inovação em Saúde; Medical School, University of Porto, Porto, Portugal.

Manuel Sobrinho-Simões

Institute of Molecular Pathology and Immunology of the University of Porto (IPATIMUP), i3S - Instituto de Investigação e Inovação em Saúde; Department of Pathology, Medical School, University of Porto; Department of Pathology, Hospital S. João, Porto, Portugal.

COURSE CHARACTERISTICS

This is an intensive theoretical-practical course concerning thyroid pathology diagnosis with emphasis on cytological, histopathological, immunohistochemical and molecular features. Thyroid tumor pathology including hereditary conditions, inflammatory lesions and developmental abnormalities will be studied. The course is aimed at pathologists-in-training and in-practice, combining lectures with discussions of practical cases. Registration includes a summary of lectures, coffee breaks and one working lunch. Agendas may be subject to change due to unforeseen circumstances.

REGISTRATION

The registration fee is 200 Euros. Registration will be made on line: http://www.fundacionidisantiago.es. There are 40 places available that will be assigned on a first-come first-served basis. Additional information (hotels, etc) can be found at:

http://www.fundacionidisantiago.es; Telephone: 00 34 981 95 11 95. Technical Secretariat: FIDIS, Fundación Instituto de Investigación Sanitaria de Santiago de Compostela, Hospital Clínico Universitario, Travesía Choupana s/n, 15706 Santiago de Compostela, Spain. 2nd Theoretical-Practical Course of Diagnosis in Thyroid Pathology

Clinical University Hospital of Santiago de Compostela

PROGRAM

Thursday, July 9th, 2020

09:00 - 90:10	Welcome.		
	Dra. Eloína Núñez Masid, Gerencia del Área Sanitaria de Santiago de Comp		
	Barbanza.		
	Dr. José R. Antúnez López, Jefe	e del Servicio de Anatomía Patológica del Hospital	
	Clínico Universitario de Santiag	0	
09:10 - 9:30	Dr. Manuel Sobrinho-Simões	Opening remarks. WHO classification of thyroid tumors.	
09:35 - 9:55	Dr. José M. Cameselle- Teijeiro	Thyroid tumors with follicular pattern (including oncocytic and familial tumors).	
10:00 - 10:20	Dr. Ihab Abdulkader	Bethesda system for thyroid cytopathology.	
10:25 - 10:45		Coffee break	
10:45 - 12:15		Practical case discussion session	
12:20 - 12:40	Dr. Manuel Sobrinho-Simões	Papillary carcinoma (including oncocytic and familial tumors).	
12:45 - 13:05	Dra. Isabel Amendoeira	Non-invasive follicular thyroid neoplasm with papillary- like nuclear features (NIFTP).	
13:10 – 13:20	Dr. José M. Cameselle-	Recommendations for the pathological report of	
	Teijeiro	thyroid tumors.	
13:25 - 15:00		Lunch	
15:00 - 16:30		Practical case discussion session	
16:35 - 16:55	Dra. Catarina Eloy	Poorly differentiated and undifferentiated (anaplastic) carcinoma (including cytopathological features).	
17:00 - 17:20	Dr. Manuel Sobrinho-Simões	Role of molecular alterations in thyroid pathology	
17:25 – 17:45		Coffee break	
17:45 - 18:05		Pathology case contest	
18:05 - 19:30		Practical case discussion session	

Friday, July 10th, 2020

09:00 - 9:20	Dra. Catarina Eloy	Medullary carcinoma (sporadic and hereditary).
09:25 - 9:35	Dra. Isabel Amendoeira	Cytological features of medullary carcinoma
09:40 - 9:50	Dr. Ihab Abdulkader	Cytological features of metastatic tumors.
09:55 - 11:00		Practical case discussion session
11:00 - 11:30		Coffee break
11:30 - 11:50	Dr. Javier Caneiro Gómez	Mesenchymal thyroid neoplasms.
11:55 - 13:30		Practical case discussion session
13:30 - 13:45	Dr. Manuel Sobrinho-Simões Dr. José M. Cameselle- Teijeiro	Closing remarks
