

**SYMTAS2021**

**IV INTERNATIONAL SYMPOSIUM**

# **MECHANICAL THROMBECTOMY IN ACUTE STROKE THERAPY**

SANTIAGO DE COMPOSTELA | SPAIN | 23-24 SEP 2021

**SANTIAGO DE COMPOSTELA**

**23 – 24 September, 2021**

Área Sanitaria de Santiago de Compostela  
e Barbanza

INSTITUTO DE INVESTIGACIÓN SANITARIA  
SANTIAGO DE COMPOSTELA

**CINIUS**

CÁTEDRA INSTITUCIONAL  
NEURORRADIOLOGÍA INTERVENCIONISTA

# MECHANICAL THROMBECTOMY IN ACUTE STROKE THERAPY

## GENERAL INFORMATION

### VENUE AND DATE

#### School of Medicine

Rúa de San Francisco, s/n  
Santiago de Compostela - SPAIN  
Date: 23 – 24 September 2021

### ORGANIZATOR'S INFO

**Cátedra de Neurorradiología Intervencionista. Universidad de Santiago de Compostela.**  
*Hospital Clínico Universitario of Santiago de Compostela*  
*Department of Neuroradiology.*

#### IDIS (Instituto de Investigación Sanitaria Santiago de Compostela)

[www.idisantiago.es](http://www.idisantiago.es)  
Travesía de Choupana, s/n.  
15706 Santiago de Compostela – SPAIN

### DIRECTORS

**Prof. Dr. José Castillo Sánchez**  
Scientific Director of IDIS  
(Instituto de Investigación Sanitaria Santiago de Compostela)

**Prof. Dr. José Manuel Pumar Cebreiro**  
Head of the Unit of Neuroradiology of the  
Complejo Universitario de Santiago de Compostela.

### CO-DIRECTOR

**Prof. Dr. Pedro Vega**  
Head of the Unit of Neuroradiology of the  
Complejo Universitario de Oviedo

### CASE COORDINATOR

**Prof. Dr. Eduardo Murias**  
Unit of Neuroradiology of the  
Complejo Universitario de Oviedo

### WEB PAGE

Symposium's web:  
[symtas2021.compostelacongresos.com](http://symtas2021.compostelacongresos.com)

### TECHNICAL SECRETARY

**Compostela Congresos S.L.**  
e-mail: [info@compostelacongresos.com](mailto:info@compostelacongresos.com)  
Phone.: +34. 636 011 228  
WEB: [www.compostelacongresos.com](http://www.compostelacongresos.com)

# MECHANICAL THROMBECTOMY IN ACUTE STROKE THERAPY

## SPEAKERS COMING

- Marta Aguilar** | Neurocenter, Klinikum Stuttgart. Germany  
**Yeray Aguilar** | Complejo Hospitalario Materno Insular. Las Palmas de Gran Canaria  
**Federico Ballenilla** | Hospital 12 de Octubre. Madrid  
**Jordi Blasco** | Hospital Clinic. Barcelona  
**Alain Bonafé** | Gui de Chauliac. Montpellier. Francia  
**Miguel Castaño** | Hospital Clínico. Salamanca  
**Hugo Cuellar** | L SUHSC-Shreveport. USA  
**Guilherme Dabus** | Baptist Neuroscience Institute. USA  
**Alberto Gil** | Hospital de Valdecilla. Santander  
**Alejandro González** | Hospital Universitario Virgen del Rocío. Sevilla  
**Eva González** | Hospital Universitario de Cruces. Bilbao.  
**Andrés González-Mandly** | Hospital de Valdecilla. Santander  
**Leopoldo Guimaraens** | Hospital General de Cataluña  
**Gelson Luis Koppe** | Cajuru University Hospital. Brasil  
**José Ángel Larrea** | Hospital Universitario de Donostia. San Sebastián  
**Pedro Lylyk** | Radiology Institute "ENERI". Buenos Aires  
**Juan Miguel Macho** | Hospital Clinic i Provincial. Barcelona.  
**José Carlos Méndez** | Hospital Universitario Ramón y Cajal. Madrid  
**Luis Morales** | Hospital Universitario y Politécnico La Fe. Valencia  
**Manuel Moreu** | Hospital Clínico San Carlos. Madrid (Spain)  
**Antonio Moreno** | Director Neurointervencionismo. Hospital Quirón Salud. Torrevieja  
**Sonia Mosteiro** | Hospital Universitario Juan Canalejo. A Coruña  
**Eduardo Murias** | Hospital Universitario Central de Asturias. Oviedo  
**Pedro Navia** | Hospital Universitario. La Paz. Madrid  
**Raúl Gomes Nogueira** | Marcus Stroke & Neuroscience Center. Atlanta. USA  
**José M. Pumar** | Hospital Clínico Universitario. Santiago de Compostela  
**Eduardo Raupp** | Universidad Católica. Rio Grande. Brasil  
**João Reis** | Centro Hospitalar de Lisboa Central. Lisboa  
**Marc Ribó** | Hospital Universitario Vall d'Hebrón. Barcelona  
**Carlos Rodríguez** | Hospital Clínico Universitario de Vigo.  
**Edgar Samaniego** | Universidad de Iowa. USA  
**Alejandro Tomaselo** | Hospital Universitario Vall d'Hebrón. Barcelona  
**Aurelio Vega** | Hospital Universitario Puerta de Hierro. Madrid  
**Pedro Vega** | Hospital Universitario Central de Asturias. Oviedo  
**Fernando Viñuela** | Emerit Professor. Universidad de UCLA. USA  
**Ajay K Wakhloo** | University of Massachusetts Medical School. USA

# MECHANICAL THROMBECTOMY IN ACUTE STROKE THERAPY

## SCIENTIFIC PROGRAM

Thursday, 23 September 2021

08:30 – 09:00 h REGISTRATION

09:00 – 10:00 h SESSION – I. TOPIC: INNOVATION:

*Moderators: Hugo Cuellar, Juan Macho, Fernando Viñuela*

**Current indications for mechanical Thrombectomy in Acute Stroke: Time for a Paradigm Shift-Precision Medicine.**

Raúl Gomes Nogueira.

**Direct Transfer to Angio suite to Reduce Workflow and Increase Favorable Clinical Outcome.**

Marc Ribó

**Management of atherosclerotic stenoses of the posterior territory**

Leopoldo Guimaraens.

**Discuss / Representative cases**

Manuel Moreu

10:00 – 11:00 h SESSION – II. TOPICS: Thrombectomy Techniques. Update

*Moderators: José A Larrea, Federico Ballenilla*

**TRAP Technique: once you build the set-up for TRAP, you are ready for anything (sponsored by Stryker)**

Raúl Gomes Nogueira.

**Difficult stroke access: how to deal with it**

Guilherme Dabus.

**Discuss / Representative cases.**

11:00 – 11:30 h Coffee Break

*Cafeteria of the Faculty of Medicine. Floor -1.*

11:30 – 12:00 h SESSION – III. TOPIC: Symposiums I

**Symposium Cerenovus**

**How technologies are permitting improved rates of revascularization achieving the first-pass effect**

Pedro Vega, José Carlos Méndez

12:00 – 13:00 h SESSION – IV: TOPIC: “Acute Stroke Intervención Evolution”.

*Moderators: José Carlos Méndez, Carlos Rodriguez*

**Thrombectomy, how I did it and how I do it now. What have I changed and why.**

Federico Ballenilla

**New Class of Radially Adjustable Stentrievors for Acute Ischemic Stroke. Primary Results of the Multicenter TIGER Trial.**

*(Sponsored by World Medica)*

Edgar Samaniego

**Thrombectomy results and scientific evidence justify the need to development new tools. What my own experience tells me.**

Alberto Gil

**MECHANICAL THROMBECTOMY IN ACUTE STROKE THERAPY****13:00 – 14:00 h** SESSION – V. TOPIC: Symposiums II**Symposium Striker****TREVO NXT/TRAK 21. Evolución y experiencia (sponsored by Striker)**

Aurelio Vega

**Symposium Penumbra****Challenging cases where aspiration could make the difference**

Pedro Navia

**14:00 h** WORK LUNCH*Cafeteria of the Faculty of Medicine. Floor -1.***16:00 – 17:00 h** SESSION – VI. TOPIC: Dilemas. Interventional aspects of distal occlusions.*Moderators: Pedro Lylyk, Pedro Vega***Distal Vessel Thrombectomy: Should We Treat Smaller Vessel Occlusions?**

Alejandro González

**Treatment of distal occlusions. Tiger 13 experience.****(Sponsored by World Medica)**

João Reis

**TICI 3 and functional independence. Need for distal thrombectomy. Our experience with the catch Mini. (Sponsored by Balt)**

Eva González

**17:00 - 19:00 h** SESSION - VII: TOPIC: “Acute Stroke Intervention Challenging cases I”.*Moderators: Alberto Gil, Jordi Blasco, Raúl Gomes Nogueira, Eduardo Murias**Speakers: Eduardo Murias, Rosa María Martínez Moreno, José Ángel Larrea,**Eva González, Federico Ballenilla, Luis Morales.***19:00 - 19:30 h** Official delivery of the “Fernando Viñuela” Research Award and the appointments of Members of the Advisory Committee of Chair of Interventional Neuroradiology**Friday, 24 September 2021****08:30 - 10:00 h** SESSION – VIII. TOPICS: Dilemmas II  
*Moderators: Antonio Moreno, Juan Macho***Stent as recovery therapy after failed thrombectomy**

Manuel Moreu

**Endovascular management of sinus Thrombosis**

Andrés González-Mandy

**Treatment of acute stroke during pregnancy.**

Marta Aguilar

**What constitutes a failed thrombectomy. Are we consider any TICI score below 2b as a failed Thrombectomy.**

Alain Bonafé

**Representative Cases**

Federico Ballenilla, José Ángel Larrea

**MECHANICAL THROMBECTOMY IN ACUTE STROKE THERAPY**

- 10:00 – 10:30 h**    **SESSION – IX: TOPICS: Symposiums III**  
**Symposium Medtronic:** “The importance of generating clinical evidence in the launch of new products”  
**First experiences using the REACT™ aspiration suction catheter to achieve a complete recanalization**  
Alejandro Tomasello  
**Medtronic’s INSPIRE S Registry: Innovative Neurovascular Product Surveillance Registry**  
Marc Ribó.
- 10:30 – 11:00 h**    **Coffee Break**  
*Cafeteria of the Faculty of Medicine. Floor -1.*
- 11:30– 12:30h**    **SESSION – X: TOPICS: The experts point of view.**  
*Moderators: Sonia Mosteiro, Miguel Castaño*
- First-pass recanalization effect by thrombectomy in ischemic stroke: a descriptive analysis from the ROSSETTI registry**  
Jordi Blasco  
**Acute intracranial dissections**  
Guillermo Dabus.  
**Use of Flow diverter in acute stroke**  
Ajay Wakhloo
- 12:30 – 14:00h**    **SESSION – XI: TOPIC: Treating patients in the Real World**  
*Moderators: João Reis, Marta Aguilar*
- How is the real life of the emergency thrombectomy in our hospital?**  
Alejandro González.  
**Stroke, vascular dementia and hydrocephalus: innovation in its vascular treatment.**  
Pedro Lylyk  
**When should we stop trying to open a target vessel?**  
Hugo Cuellar.  
**Transtenotic of cronically occluded carotids**  
Edgar Samaniego  
**Thrombectomy in posterior circulation P1, P2, P3, our center experience and results**  
João Reis
- 14:00 h**    **WORK LUNCH**  
*Cafeteria of the Faculty of Medicine. Floor -1.*
- 16:00 – 18:00 h**    **SESSION – XII: TOPIC “Acute Stroke Intervención Challenging cases II”**  
*Moderators: Guilherme Dabus, Pedro Lylyk, João Reis, Marta Aguilar*  
*Speakers: Eduardo Murias, Rosa Martinez Moreno, José Ignacio Gallego, Aurelio Vega, Carlos Rodríguez, Joao Reis, Antonio Moreno, Emilio Rodríguez*
